

# ROTARY CLUB OF COROWA

VOLUME 72 ISSUE 19

## WEEKLY BULLETIN

PRINTED 1/11/2010

PRESIDENT: DAVID POTTS

---

### Last Meeting.

Vocational evening with Paul Pattison, Managing Director of Rivalea Australia, as guest speaker. Rivalea is a vertically integrated food company and the largest producer of pork in Australia.

In 1970, Fidelity Feeds opened a piggery at Bungowannah (Fidelity Meat Industries) as an outlet for product from the feed mill. In 1975 a piggery was built at Corowa to house 250,000 pigs under the ownership of Bunge. Another change of ownership saw the name changed to QAF and later to Rivalea, which better suited the profile of a food company (riv = river, va = valley, lea = a grassy field).

Approximately 20,000 pigs are born and slaughtered weekly at Corowa.

As well as Bungowannah and Corowa, Rivalea has facilities at Balpool and Huntly. Rivalea has the second largest feed mill in Australia and one of the largest pig research facilities in the world.

Why do psychics have to ask for your name?

Man comes home, finds his wife with his friend in bed. He shoots his friend and kills him.  
Wife says "If you behave like this, you will lose ALL your friends."

Husband asks, "Do you know the meaning of WIFE? It means 'Without Information Fighting Everytime!'"

Wife replies, "No, it means 'With Idiot For Ever'!!!"

A young boy asks his Dad, "What is the difference between confident and confidential?"

Dad says, "You are my son, I'm confident about that. Your friend over there, is also my son, that's confidential!"

Why do we press harder on a remote control when we know the batteries are flat?

Why do banks charge a fee on 'insufficient funds' when they know there is not enough?

If quizzes are quizzical, what are tests?

Who was the first person to look at a cow and say, 'I think I'll squeeze these pink dangly things here, and drink whatever comes out?'

Did you ever notice that when you blow in a dog's face, he gets mad at you, but when you take him on a car ride, he sticks his head out the window?

If the temperature is zero outside today and it's going to be twice as cold tomorrow, how cold will it be?

What is the speed of darkness?

If corn oil is made from corn, and vegetable oil is made from vegetables, then what is baby oil made from?

A sailor came home from a two year mission only to find his wife with a new born baby. Furious, he was determined to track down the father to extract revenge. "Was it my friend Sam", he demanded. "No !" his weeping wife replied. "Was it my friend Jim then?" he asked. "NO !!!" she said even more upset. "Well which one of my no good friends did this then?" he asked. "Don't you think I have any friends of my own?" she snapped.
