How are men and batteries different?
Batteries have a positive side.

How does the single woman get rid of roaches?
She asks them for a commitment.

Why do men have broad shoulders and big foreheads?
When you ask them a question, they shrug their shoulders and say, "I don't know."
When you tell them the answer, they slap their foreheads and say, "Ohhhhhh."

What is the difference between men and women?
A woman wants one man to satisfy her every need.....
A man wants every woman to satisfy his one need

How does a man keep his youth?
By giving them money, furs and diamonds.

Where do you have to go to find a man who is truly into commitment?
A mental hospital.

What's the most common cause of hearing loss amongst men?
Wife saying she wants to talk to him

Why don't men have mid-life crises?
They stay stuck in adolescence.

Why does a man have a clear conscience?
Because it's never used.

What do UFO's and caring men have in common?
You keep hearing about them but never see any for yourself.

How do you confuse a man?
You don't have to - they're born that way

What are the three types of men?
The handsome, the caring and the majority

How does a man show he's planning for the Future?
He buys two cases of beer instead of one.

Why did they kick the man out of the airport?
He kept throwing stale bread at the plane

Do you always tell your husband when you've had an orgasm?
No way! I'm not going to call home every time!

When does a man develop a brain?
The day he gets married.

How can you tell if a man is a Male Chauvinist Pig?
He thinks "harass" is two words

Why do women always wear black to bed?
To mourn the dead pricks beside them!!

Why do men prefer blondes?
Men always like intellectual company.
