My wife and I went to a hotel where we got a waterbed. My wife called it the Dead Sea.

The Doctor called Mrs. Cohen saying, "Mrs. Cohen, your cheque came back. " Mrs. Cohen answered, "So did my arthritis!"

This bloke was sitting in his attorney's office. His lawyer said, "Do you want the bad news first or the terrible news?" "Give me the bad news first."

"Your wife found a picture worth a half-million dollars."

"That's the bad news?" asked the man incredulously. "I can't wait to hear the terrible news."

"The terrible news is that it's of you and your secretary."

A man came home, screeching his car into the driveway, and ran into the house.

He slammed the door and shouted at the top of his lungs, 'Honey, pack your bags. I won the lottery!'

The wife said, 'Oh my God! What should I pack, beach stuff or mountain stuff?'

'Doesn't matter,' he said. 'Just clear out.'

A woman walked into the kitchen to find her husband stalking around with a fly swatter.

"What are you doing?" She asked. "Hunting Flies" He responded. "Oh. Killing any?" She asked.

"Yep, 3 males, 2 Females," he replied. Intrigued, she asked. "How can you tell?" He responded, "3 were on a beer can, 2 were on the phone."

On their way to get married, a young couple are involved in a fatal car accident. The couple find themselves sitting outside the Pearly Gates waiting for St. Peter to process them into Heaven. While waiting, they begin to wonder:- 'Could they possibly get married in Heaven?' When St. Peter showed up, they asked him. St. Peter was somewhat taken aback and said, "I don't know. This is the first time anyone has asked. Let me go find out." and then walked back into heaven, closing the gates behind him. The couple sat and waited, and waited, and waited. Two months passed and the couple were still waiting. And as they did, they wondered if they were allowed to get married in Heaven, what was the eternal aspect of it all. 'What if it didn't work out? Would they be stuck together forever?'

After yet another month, St. Peter finally returned, looking somewhat bedraggled, harassed and worn out. "Yes." he sighed. "You can get married in Heaven." "Great!" exclaimed the couple, "But we were just wondering. What if things don't work out? Could we also get a divorce in Heaven?"

St. Peter, red-faced with anger, exploded, and slammed his clipboard onto the ground so hard that it shattered into a thousand pieces.

"What's wrong?" quaked the frightened couple.

"Good God!!! Screamed St. Peter. "It's taken me three sodding months to find a priest up here! Do you have any idea how long it would take to find a ----- solicitor?"
