## WEEKLY BULLETIN

PRESIDENT: DAVID POTTS

### LAST MEETING.

Guest speaker David Meller from The Rotary Club of Strathmore spoke on 'donations in kind' (DIK), a programme of RAWCS. The programme involves the collection of items which have no further use to us but have a use in developing countries. These items may include books, bicycles, school desks, spectacles, medical/hospital items etc, etc.

DIK coordinates the despatch and delivery of these items. David is seeking our support for this project. (Could be an opportunity for us to give thought to.)

## 100 YEARS OF ROTARY - Dinner 23/02/2005

Knowledge is knowing a tomato is a fruit; Wisdom is not putting it in a fruit salad.

If God is watching us, the least we can do is be entertaining.

Did you know that dolphins are so smart that within a few weeks of captivity, they can train people to stand on the very edge of the pool and throw them fish?

I didn't fight my way to the top of the food chain to be a vegetarian

God must love stupid people. . . . he made so many.

Women will never be equal to men until they can walk down the street with a bald head and a beer gut, and still think they are sexy.

Behind every successful man is his woman. Behind the fall of a successful man is usually another woman.

A clear conscience is usually the sign of a bad memory

Laugh at your problems, everybody else does.

He who smiles in a crisis has found someone to blame.

My opinions may have changed, but not the fact that I am right.

Worrying works! 90% of the things I worry about never happen.

Some people hear voices.. Some see invisible people.. Others have no imagination whatsoever.

If winning isn't everything why do they keep score?

Good health is merely the slowest possible rate at which one can die.

I don't have an attitude problem. You have a perception problem.
