Rotary International Toast

Meredith presented on Rotary in Poland. First club was in Warsaw in 1931 then with 8 more clubs, the Polish District 85 was established in 1936. After a 59 year gap, caused by the Second World War and the Communist regime, Rotary returned along with democracy in 1989. There are 83 Rotary Clubs with 1737 Rotarians, 18 Rotaract and 11 Interact clubs in Poland.

Thanks Meredith

DIVERSIONAL ENTERTAINMENT

ARE WE THE ONES WHO ARE AGEING?

Recently, I went to McDonald's and I saw on the menu that you could have an order of 6, 9 or 12 Ch nuggets. We don't have half dozen nuggets, said the teenager at the counter. 'You don't?' I replied. 'Well reply...'"So I can't order a half dozen nuggets, but I can order six?" 'That's right.'

So, I shook my head and ordered six McNuggets (Unbelievable but sadly true...) Must have been the they didn't have any, only Splenda and sugar.

I was checking out at the local Wal-Mart with just a few items and the lady behind me put her things of those dividers that they keep by the cash register and placed it between our things so they wouldn't After the girl had scanned all my items, she picked up the divider, looking it all over for the bar code she said to me, 'Do you know how much this is?'

I said to her 'I've changed my mind; I don't think I'll buy that today.'

She said 'OK,' and I paid her for the things and left. She had no clue to what had just happened.

(But the lady behind me had a big smirk on her face as I left)

A woman at work was seen putting a credit card into her DVD drive and pulling it out very quickly.

A mother calls 911 very worried asking the dispatcher if she needs to take her kid to the emergency r

her to give the kid some Benadryl and he should be fine. The mother says, 'I just gave him some an

all true...

Perks of reaching 60 or being over 70 and heading towards 80!

Kidnappers are not very interested in you.

In a hostage situation you are likely to be released first.

No one expects you to run--anywhere.

People call at 8 PM and ask, "Did I wake you?"

People no longer view you as a hypochondriac.

There is nothing left to learn the hard way.

Things you buy now won't wear out.

You can eat dinner at 5 PM .

Your supply of brain cells is finally down to manageable size.

You can't remember who sent you this list.

A turtle and the snails

A turtle is crossing the road when he's mugged by two snails. When the police show up, they ask him what happened. The shaken turtle replies, "I don't know. It all happened so fast."

A priest, a minister, and a rabbi want to see who's best at his job. So they each go into the woods, find a bear, and attempt to convert it. Later they get together. The priest begins: "When I found the bear, I read to him from the Catechism and sprinkled him with holy water. Next week is his First Communion."

"I found a bear by the stream," says the minister, "and preached God's holy word. The bear was so mesmerized that he let me baptize him."

They both look down at the rabbi, who is lying on a gurney in a body cast. "Looking back," he says, "maybe I shouldn't have started with the circumcision."

A guy spots a sign outside a house that reads "Talking Dog for Sale." Intrigued, he walks in.

"So what have you done with your life?" he asks the dog. "I've led a very full life," says the dog. "I lived in the Alps rescuing avalanche victims. Then I served my country in Iraq. And now I spend my days reading to the residents of a retirement home."

The guy is flabbergasted. He asks the dog's owner, "Why on earth would you want to get rid of an incredible dog like that?"
