## Jasper Hoist – Exchange Student

### Gooday mate!

Jasper had his first family in Meredith and Paul Miegel and then proceeded to the Lavis family at Hopefield ( 12kms from Corowa) on a farm. He then goes to hazzle the Rowe family, Debbie and Guy. Thanks to the families for hosting Jasper, it is a big endeavor.

He spoke of the trip with Meredith and Paul to the Outback and the big differences in the landscapes and cultures. Spoke of Mittagundi experience and how they were evacuated because of the fires and the devastation at Mittagundi. He was so lucky to have faced this experience. He underwent from Bush Fires to snow in the same day.

Jasper likes meeting other students at Dookie. Particularly about weird Aussie stuff – eg BIG RAM at Goulburn. AMAZING COUNTRY WE HAVE.

Jasper encountered a Huntsman Spider in the shower at Lavis's and spared its life and named it Gary he also knows about SNAKES, particularly when they are beside your Swag.

Thanks Jasper – enjoy the rest of your year.

## YOUTH EXCHANGE

Don't forget Jasper  
His mobile is: 0490 026 515.

### UPDATE ON JASPER 14<sup>th</sup> April to the 4<sup>th</sup> May 2020

**OUTBACK SAFARI** – This outback expedition, called Rock to Reef, involves a 3-week bus trip with 40 other exchange students. It covers approximately 10,000 kilometres and is always an amazing experience.

## DIVERSIONAL ENTERTAINMENT

Why do kangaroos hate rainy days?  
Because their children play inside.

#

If money doesn't grow on trees  
why do banks have branches?

#

Money is not the root of all evil, Jealousy is.

#

**Custody Case:** A man and his young wife were in divorce court, but the custody of their children posed a problem. The mother gets up and says to the judge that since she brought the children into this world, she should retain custody of them. The man also wanted custody of his children, so the judge asked for his justification. After a long silence, the man slowly rose from his chair and replied, "Your

Honor, when I put a dollar in a vending machine and a Coke comes out, does the Coke belong to me or the machine?"

A woman said to her cheating husband "Do you want to see a crumpled up \$50" And he said "yes" So she reached into her pocket pulled it out and gave it to him.

Then she said

"do you want to see a crumpled up \$100" And he said "yes" So she reached into her pocket pulled it out and gave it to him.

Then she said, " Do you want to see a crumpled up \$50,000 and he said "yes" So she said

"go look for your car in the garage then."

Q: What is a meaning of a true friend?

A: One who remembers your birthday but not your age!

#

Q: How can you tell that you're getting old?

A: You go to an antique auction and three people bid on you!

#

It's my wife's birthday tomorrow.

Last week I asked her what she wanted as a present.

'Oh, I don't know , ' she said .

'Just give me something with diamonds.

That's why I'm giving her a pack of playing cards.

Some employees bought their boss a gift for his birthday. Before opening the gift, the boss shook it slightly, and noticed that it was wet in the corner. Touching his finger to the wet spot and tasting it, he asked, "A bottle of wine?" His employees replied, "No." Again, he touched his finger to the box and tasted the liquid. "A bottle of scotch?" "His employees replied again, "No." Finally the boss asked, "I give up. What is it?"

His workers responded, "A puppy."

A couple had been debating the purchase of a new auto for weeks. He wanted a new truck. She wanted a fast little sports-like car so she could zip through traffic around town. He would probably have settled on any beat up old truck, but everything she seemed to like was way out of their price range. "Look!" she said. "I want something that goes from 0 to 200 in 4 seconds or less. And my birthday is coming up. You could surprise me." So, for her birthday, he bought her a brand new bathroom scale.
