We wish Lesley and family our deepest sympathies at this sad time

Guest Speaker: **Kylie Ferguson Flourish Sourdough Bakery**

After a career in hospitality for nearly 20 years, I found myself being drawn further into a developing passion for food and food production.

Then 6 years ago I decided to take that passion; throw caution to the wind and begin a fermentation process which eventually became my ever faithful and much loved starter (mother) named BOB!

After a couple more years of development and constant baking, I soon discovered our family could only eat so much bread, so began to gift loaves to friends and family.

They were all so astonished with the flavour and quality of the product they actually began to place orders and not long after, the demand grew beyond anything I could have imagined.

My passion grew into an addiction and I couldn't stop! I was so consumed with my new found love I couldn't get my product out there fast enough and thus..... 'The Bakery' came to light!

With the support of my loving life partner we began the building process.

Our point of difference starts with our micro bakery that we set up and operate out of a shipping container in Corowa. We are a small business, but when it comes to our product and customers we have a huge heart and put all we have into producing the highest of quality products.

After a year of operating and suppling local cafes, restaurants and selling at local markets I decided I needed another challenge, so my journey with 100% sourdough pastries began.

The challenges sourdough croissants and danishes presented had me in a world of hurt. I was so close to attaining great results, but just couldn't find the final puzzle piece.

My partner did his best to talk me out of pursuing this new found passion, but my stubborn self wasn't letting it beat me. I knew I could do it and set out to find a way. I finally reached out to an amazing lady who was already producing spectacular results with sourdough pastry. She invited us to spend a few days with her baking and it was then that I found my missing puzzle piece. The rest, as they say is history and I am continuing my journey with the privilege bestowed upon me to bring all you amazing people, products of the highest quality that are hand made with love, passion and dedication. A product that you as consumers have embraced with as much passion as we have and will continue too.

Warmest regards & a heartfelt thank you

Kylie xx

Birthday Celebrations

Janet Dickins aka Winnie 08/12/1950

Day of the Week: Friday
How Long Ago? 70 years ago
Leap Year: No
Generation **Baby Boomer**
Chinese Zodiac: **Tiger**
Star Sign: **Sagittarius**

Famous Birthdays on this day:

Dan Hartman, American musician (Edgar Winter Group), born in Harrisburg, Pennsylvania
Jimmy Farrar, American rock vocalist (Molly Hatchet), born in LaGrange, Georgia
Rick Baker, American special effects makeup artist (Exorcist), born in Binghamton, New York
Tim Foli, American baseball player

Number 1 single in Australia: Dennis Day; Nat "King" Cole, "Mona Lisa" 5 weeks in charts

To get an idea of the classic Sagittarius personality traits and types, we need only to look to some of the most famous archers: Brad Pitt, Miley Cyrus, Jay-Z, Britney Spears, Tyra Banks. These guys are *never dull*.

On face value, Sagittarius looks like a passionate, free-wheeling party animal but, deep down, they are deep thinkers too, and love to figure stuff out, unravel an issue, poke at a theory. They actually prefer the mental and intellectual realm (like their opposite sign, Gemini) to the emotional one. They prefer to 'think' vs 'feel', and (this is often a big shock as you get to know them) their initial warmth is more of a surface skin. They're a philosopher at heart.

Rotary Grace:

Oh Lord, the giver
of all good,

We thank you for
our daily food.

May Rotary friends
and Rotary ways,

Help us to serve
you all our days.

Amen.

.....

For Good Food,

For Good
Fellowship

And the
opportunity for
Serve service in
Rotary,

We Give Thanks.

Amen.

.....

Today we are
thankful for all
we've received.

However we live, we
firmly believe

All is a blessing that
we must pass on

No matter our status
or where we have
gone. Kindness and
generosity are what
we impart

Showing the world
what's in Rotary's
heart.

There was a prison break and I saw a midget climb up the fence. As he jumped down he sneered at me and I thought, well that's a little condescending.

One day your the best thing since sliced bread but the next day your toast...
Enjoy your breakie 😊
