They meet Fridays at 12:15 PM & Rooney's Oceanfront Restaurant, Long Branch. The Rotary Club of Greater Long Branch has been donating money to local food pantries monthly for the last 6 months with the help of Investors Bank, the Long Branch Rotary Foundation, and Rotary District 7505 to help them keep up with the demand for food created by the Covid-19 pandemic. The total donations made to local food pantries come to over \$10,000. The Club will be continuing it's fundraiser for at least the balance of 2020.

Guest Speaker: Georgie Bruce Senior Coach @ Corowa Rutherglen netball. A Rennie girl, Georgie then went on to play at Roos back in the days when local girls were being flogged in every game then back to Rennie. Georgie joined back again at Corowa Rutherglen several years ago and noticed that there was a need to bring all the clubs together and work with the future netballers in whatever league they chose to play for. Last three years has seen a terrific effort in uniting the girls with a shared effort in a night comp in Albury. Started with a couple of teams this in past few years has grown considerably. Main focus is to work with the girls aged 5-18 years of age. Now there are 3 rookie teams in comp.

Howard & Jeanette Scheetz are at MERRIWAGGA

Place of the Black Stump Hotel, named after a tragedy in Pioneering History when a drover's wife was fatefully burnt her dress caught fire while he was not there, he found her on his return, when asked, he said" she looked like a black stump" Opening hours of the hotel are interesting

Today we are thankful for all we've received.
However we live, we firmly believe
All is a blessing that we must pass on
No matter our status or where we have gone.
Kindness and generosity are what we impart
Showing the world what's in Rotary's heart.

Rotary 4 way Test:

- 1: Is it the **TRUTH**?
- 2: Is it **FAIR** to all concerned?
- 3: Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- 4: Will it be **BENEFICIAL** to all concerned?

A medical opinion on the COVID situation.
Medical experts were asked if it was time to ease the lockdown:

Allergists were in favour of scratching it, but Dermatologists advised not to make any rash moves.
Gastroenterologists had sort of a gut feeling about it, but Neurologists thought the government had a lot of nerve.
Obstetricians felt certain everyone was labouring under a misconception, while Ophthalmologists considered the idea short-sighted.
Many Pathologists yelled, "Over my dead body!" while Paediatricians said, "Oh, grow up!"
Psychiatrists thought the whole idea was madness, while Radiologists could see right through it.
Surgeons decided to wash their hands of the whole thing and pharmacists claimed it would be a bitter pill to swallow.
Plastic Surgeons opined that this proposal would "put a whole new face on the matter."
Podiatrists thought it was a step forward, but Urologists were pissed off at the whole idea.
Anaesthesiologists thought the whole idea was a gas, and those lofty Cardiologists didn't have the heart to say no.
In the end, the Proctologists won out, leaving the entire decision up to the assholes.

There was a fair bit of this last night on men's table

and on the lighter side: HAHAHAHAHAAAA
