Guest speaker : Lauren Connell (nee Ferguson) Lol shared with us some wonderful stories of her time spent in Alaska as a Rotary exchange student in 1996. For the first 8 months Lol lived in a small country town population 500 and her host family who took her on many road trips and adventures as did her second host family who she stayed with for the final 4 months. Lauren still keeps in touch with both of her host families to this day. Lol's diet contained a lot of protein which was mainly moose & reindeer (sorry Rudolph). Lauren told us that although she was homesick her time away was a wonderful experience and it really did open her eyes up to the world. Lauren now lives in Wahgunyah with her tech savvy husband Bradford Connell and together they have three beautiful children Cooper, Ryder & Harper. Lauren is now ready to impart her knowledge to her son Cooper who hopes to also get the opportunity to do a Rotary youth exchange program in the not too distant future.

International Toast this week goes to the whole world as we are in unusual times with Covid - 19. To better days ahead for all enduring hardships

Birthday Celebrations

1958 - the Baby Boomer Generation

Attributes:

Generally considered a product of WWII, Baby Boomers are now reaching the age of retirement. The Baby Boomers were named after the explosion of babies that were born following the end of World War II. The amount of babies born during this time period were roughly 50% higher than average.

Born August 27, 1958 was a Wednesday and it was the 239th day of the year 1958. It was the 35th Wednesday of that year. The next time you can reuse your old [1958 calendar](#) will be in [2025](#). Both calendars will be exactly the same! This is assuming you are not interested in the dates for Easter and other irregular holidays that are based on a lunisolar calendar.

Your birthday numbers 8, 27, and 1958 reveal that your **Life Path** number is **22**. It is a master number that represents practical idealism and material mastery. You were born under the most powerful and potentially the most successful of all Life Path numbers.

Norm's Irish Antics

Ordering a pint

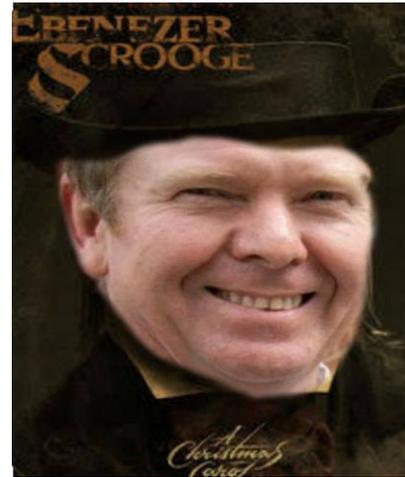

'Sorry, love, can I have a pint of Guinness and a packet of crisps where you're ready there'.
'Oh. You must be Irish', she replied. The man was evidently offended and responded, 'The cheek, just because I order a pint of Guinness you assume I'm Irish. If I ordered a bowl of pasta would you that make me Italian?!'
'No' she replied. 'But this is a newsagents...'

Flies in a pint

An Englishman, a Scotsman and an Irishman wander into a little old pub in Kildare. They each ask the barman for a pint of Guinness. After the pints are placed onto the bar, three bluebottles drop into each man's freshly poured pint.
The Englishman pushes his pint away in disgust and orders up another. The Scot reaches in and plucks the fly out.
The Irishman reaches in, picks the fly out, holds it up close to his face and shouts, "Spit it out you little bastard."
