International Toast- Rotary Club Kyiv info supplied by Neil for Norm

Rotary movement in Ukraine started in 1992 and now there are 40 Rotary clubs. 9 of those clubs are in Kyiv They are in District 2232

Exactly 30 years ago, on April 10, 1992, the first Rotary Club in Ukraine, Rotary Club Kyiv, was officially registered, and its charter was awarded. A lot has been done for the people and society over the years.

"The enemy destroyed our plans to celebrate, but did not destroy our desire for peace and a free Ukraine! Rotarians are doing a lot to defeat the enemy, and Rotarian women go hand in hand with men!"

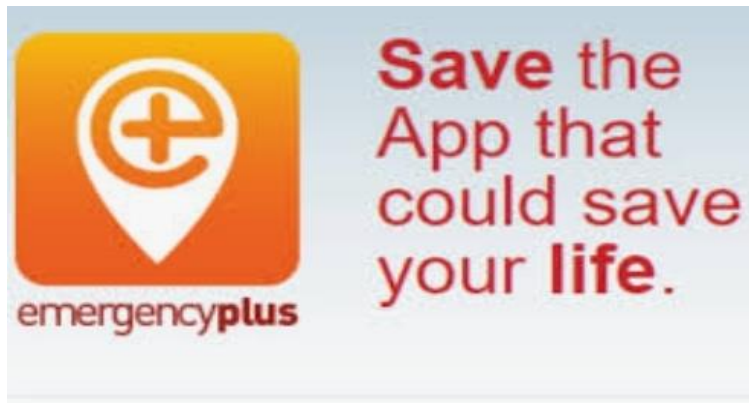

These congratulatory words from today's Rotary chat belong to Halyna Skybo, the first female Rotarian in Ukraine, former President of the Kyiv Club. And many more congratulations from the Rotarians of the District, other clubs, the whole world followed!

We are sincerely grateful to everyone who has shared this celebration with us! Together, we are serving for the Victory! Glory to Ukraine!

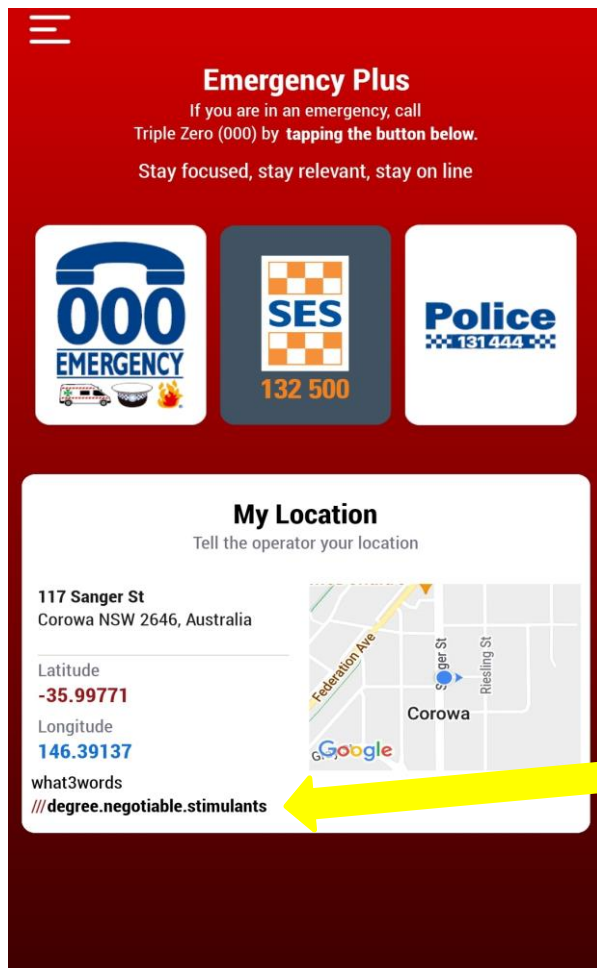

Rotary Club Kyiv International opened on December 27, 2019. As of May 2021, it has more than 30 members.

Some info from David Potts talked to us about using the emergency Plus App

The app uses a mobile phone's GPS functionality and what3words, so callers can provide emergency call-takers with their location information as determined by their smart phone. With what3words available within the Emergency+ app, Triple Zero (000) callers can confirm their exact location quickly and accurately.

These three words here let the emergency services know exactly your whereabouts which is very important in an emergency

.....
 Today we are thankful for all we've received.
 However we live, we firmly believe
 All is a blessing that we must pass on
 No matter our status or where we have gone.
 Kindness and generosity are what we impart
 Showing the world what's in Rotary's heart.
