**Welcome to Harlem, N.Y., USA.**

Celebrating over 50 Years of "Service Above Self" The Rotary Club of Harlem has a long history of service work in New York and around the world.

Our club is normally a very hands-on volunteer type of group, but with the added risks that COVID19 presents we have slowed our in person volunteer efforts. That certainly doesn't mean we have stopped serving our community. Behind the scenes we have been coordinating relief efforts for our community to ensure the most vulnerable do not get left behind. That means supporting organizations who are working on the front-lines and helping them with resources needed to continue their impact. Since March we have:

Partnered with the Rotary Club of Bronxville who donated \$5,000 to assist us in emergency response to the Harlem community

Received a matching grant of \$2,500 from Rotary District 7230 to support emergency relief  
Raised over \$4,500 via online GoFundMe page to purchase food, protective equipment, and sanitary supplies for the Salvation Army Harlem Temple

Purchased over \$10,000 worth of food supplies for the Salvation Army Harlem Temple to keep their pantry shelves stocked and their daily soup kitchen open

Donated 50 Boxes (500+ meals) of Happi Foodi microwaveable Keto meals

Donated 200 KN95 masks and 11,000 pairs of gloves and cleaning supplies so Salvation Army volunteers and staff can be safe when feeding the public

Partnered with New York State Nurses Association (NYSNA) to deliver 343 meals to Registered Nurses working at Harlem Hospital for Nurses Week

Collaborated with One Sandwich at a Time to have 119 sandwiches donated to Salvation Army Harlem for local distribution

Delivered an additional 50 meals to Harlem Hospital healthcare workers in collaboration with Chinatown Rotary Club

Secured a cargo van on loan from Willdan Electrical to the Salvation Army for six weeks to help expand door to door deliveries to home-bound Harlem residents

Awarded District 7230 emergency grant funding to donate \$673 to Iris House and \$673 to St. Mary's Episcopal Church

Donated and delivered 1,000 books to WestCOP in New Rochelle for students and families to read during quarantine

It was great to have our Area Governor David Barrat at our meeting tonight. Dave mentioned the great attendance from Corowa Rotary who turned up at conference this year held at Marysville. He hopes that as a club we continue with the great numbers at the district conference next year which is to be held at Deni. Dave will be introducing our fellow Rotarian Paul to our cluster clubs so that they can meet their new AG for the next term.

# Deb's bright side of life

**Will Rogers, who died in a 1935 plane crash in Alaska with bush pilot Wiley Post, was one of the greatest political country/cowboy sages this country has ever known.**

**Some of his sayings:**

1. Never slap a man who's chewing tobacco.
2. Never kick a cow chip on a hot day.
3. There are two theories to arguing with a woman. Neither works.
4. Never miss a good chance to shut up.
5. Always drink upstream from the herd.
6. If you find yourself in a hole, stop digging.
7. The quickest way to double your money is to fold it and put it back into your pocket.
8. There are three kinds of men:  
The ones that learn by reading. The few who learn by observation. The rest of them have to pee on the electric fence and find out for themselves.
9. Good judgment comes from experience, and a lot of that comes from bad judgment.
10. If you're riding' ahead of the herd, take a look back every now and then to make sure it's still there.
11. Lettin' the cat outta the bag is a whole lot easier'n puttin' it back.
12. After eating an entire bull, a mountain lion felt so good he started roaring. He kept it up until a hunter came along and shot him.

**The moral: When you're full of bull, keep your mouth shut.**

## **ABOUT GROWING OLDER...**

**First** ~ Eventually you will reach a point when you stop lying about your age and start bragging about it.

**Second** ~ The older we get, the fewer things seem worth waiting in line for.

**Third** ~ Some people try to turn back their odometers. Not me; I want people to know 'why' I look this way. I've traveled a long way, and some of the roads weren't paved.

**Fourth** ~ When you are dissatisfied and would like to go back to youth, think of Algebra.

**Fifth** ~ You know you are getting old when everything either dries up or leaks.

**Sixth** ~ I don't know how I got over the hill without getting to the top.

**Seventh** ~ One of the many things no one tells you about aging is that it's such a nice change from being young.

**Eighth** ~ One must wait until evening to see how splendid the day has been.

**Ninth** ~ Being young is beautiful, but being old is comfortable and relaxed.

**Tenth** ~ Long ago, when men cursed and beat the ground with sticks, it was called witchcraft. Today it's called golf.

**And, finally ~ If you don't learn to laugh at trouble, you won't have anything to laugh at when you're old.**
