International Toast - Rotary Club Edinburgh (President Olive)

Founded in 1912, we are a large, active group of people from many walks of life who aim to have fun and make friends while helping others.

Members enjoy a wide range of social activities and weekly lunch time meetings, we are also actively involved in the local community - we support those who have been homeless, the aged and youth, we also work to make our environment more attractive. Through our international programmes we help those less fortunate than ourselves.

HRH Prince Philip, Hon Member of our Club, died on Friday 9th April 2021. The Club dedicated its meeting on Thursday 15th April to a tribute to HRH.

Rotary Information – RI President – elect Jenifer Jones announces presidential theme

Rotary International President-elect Jennifer Jones (who is also our first female president) has announced the 2022-23 theme Imagine Rotary.

"Imagine, a world that deserves our best, where we get up each day knowing that we can make a difference."

The theme is a special one: the theme graphic was designed by an Australian Indigenous artist to link with the Melbourne Convention in 2023. Some of the symbolism includes:

Circle connections to one another

Dots around it - our people

There are 7 Dots for Rotary's 7 areas of focus

Circle + dots around it - a navigation star, our guiding light

Green solid line - digging stick (used when doing hard work); for us it's People of Action, represents the tools for getting things done

The colours purple, green & white - celebrate diversity, equity and inclusion

Freedom to express ourselves differently but still with a special connection

Purple is also the colour of Rotary's Polio campaign

Green represents the Environment

White stands for peace; it also represents Empowerment and Newness and also the colours were utilised for the women's movement, highlighting the opportunity to grow our female membership.

Reflections on life

- Travel is good for the soul
- Everyone needs to step out of their comfort zone to find out who they really are and what they are capable of
- There is good in everyone, sometimes you just have to look a little bit harder
- Kindness costs you nothing
- It's better to see the glass as half full rather than half empty
- Family is not always those you share a blood bond with

I swear we are fighting two pandemics.
