International Toast: The Rotary Club of Portland Sunrise in Maine U.S

The President of the Club is Kath Hall, Secretary Kathryn Soule and Treasurer Brian McCambridge it is situated near Vancouver so for those that have “done the inside passage” you were not very far from Portland. They meet on 1st and 4th Wednesday of the month @7.15am and on the 3rd Wednesday of the month the meeting is held at 5.30pm. International Polio plus Chair Mike McGovern is the upcoming speaker for next week. To benefit polio eradication the Club sells Crocus Bulbs annually for this cause. Portland Sunrise Rotary is known for its exceptional dedication to service, both in our community and around the world. /In the last few years our club has helped build a bridge in Nigeria that will allow children in a rural village to attend school, helped provide safe access to clean water in rural Western China, and provided crutches and mobility equipment to polio survivors in Africa. /Closer to home, we have provided new winter coats for students in need at Portland High School and Presumpscot Elementary School, built new benches around the Portland’s Back Cove Trail, cooked meals for families with sick children at the local Ronald MacDonald House, and raised nearly \$20,000 for the Maine Children’s Cancer Program. /As of July 2021 we have resumed in-person meetings at the Cumberland Club, 116 High Street, in Portland. / Toast to the Rotary Club of Portland Sunrise in Maine US

CLEAN UP

We had a perfect morning for our Clean Up of the Highway Project on Sunday. Great effort from all who attended. It is interesting to note that money attracts money..... David Talbot found \$50 & Graeme Campbell found \$20, but the actual rarest find was found by Paul and it was a worn out battered device used to treat the old fashioned "hysteria". Big thanks to Gary & Christine for their hospitality at gunna b done.

Look we also have walking space in our shed, no more trip hazards!

Happy Birthday
