International Toast-

Rotary Club of Memphis Chartered in February 1914 as the 96th club in the world, the Rotary Club of Memphis is part of Rotary International.

At the Rotary Club of Memphis we're often referred to as "People of Action." The reasons for this are twofold: networking and community involvement. Projects in which members actively serve include: Gift of Life Mid-South which helps provide life-saving heart surgeries for kids; Living Waters of the World where members travel to Honduras to install clean water systems; Dorothy Day House, which keeps homeless families together; Tri Delta House, which provides housing to families of children at St. Jude; and Rotary Readers program, which provides volunteers for reading to elementary kids. Additionally, we serve through our strategic partnership with several wonderful organizations in the 38126 zip code. We meet every Tuesday at noon at The Bluff on Highland near the University of Memphis where you can get to know other like-minded professionals giving back and making a difference in our community. Please join us one Tuesday to find out more about Rotary and fellowship with our members.

SERVE TO CHANGE LIVES

Guest Speaker: DR. DANNY BERAN

A bit about me...

With over 30 years of experience in the Health Care Sector as both a Clinician and Administrator, and having proudly received 8 Federal Government and 2 State Government Grants for Management Skills, I spent 31 years in dedication to management excellence in the community. In addition I have strived to share and impart my knowledge and expertise through a long-term commitment to on-going teaching whilst also ensuring my own professional growth in finance and investment. The August 2014 buyout of my 31 year old business by a National corporate permits further opportunities for community service.
