ROTARY INFORMATION – for 4th August 2021

World Environment Day Handbook

At a previous week's meeting I picked up – at President Deb's invitation – a Handbook for Rotary Clubs on World Environment Day, which is celebrated on 5th June each year.

The handbook had been developed by the Environmental Sustainability Rotarian Action Group (ESRAG – another Rotary acronym!)

'Supporting the Environment' is now R.I.'s 7th area of focus behind

1. *Promoting Peace*
2. *Fighting Disease*
3. *Providing Clean Water, Sanitation and Hygiene*
4. *Saving Mothers and Children*
5. *Supporting Education*
6. *Growing Local Economies*

Remarkably, 'the Environment' can be seen to integrate all 6!

Eleven Green Themes are suggested and action in the form of Rotary Club projects are outlined.

Our Club can relate to a number of them, as we had a foundational interest in the Community Gardens, have adopted a highway section to clean up, and have as a major project the 'Whitehead Street Wetlands'.

Currently President Deb has put together a letter to the schools to invite school communities to participate in the collection of bread tags – *Aussie Bread Tags project* – which when re-cycled will provide money for wheelchairs for overseas disabled people.

Induction: President Deb Rowe inducted our latest member **Sally Batten**, Sally was sponsored by Kerrie. Sally joins us as a much more youthful member of our team along with David Moniz. Which means as a collective we are bringing down our average age (I already feel younger). We welcome Sally to The Rotary Club of Corowa
