President Stephen welcomed a rather depleted meeting attendance.

- Our thoughts are with Kerrie and family and we wish her husband a speedy recovery
- Good luck to those members holidaying in a warmer and dryer climate!
- **International Toast (Barrie H) – This week's toast is to a New Zealand Club – Blenheim South** – One of two Rotary Clubs serving Blenheim in the beautiful Marlborough region. For those travelling to this region, famous for its wines, bear in mind that it is primarily a white wine region, Sauvignon Blanc, Chardonnay and Riesling. The club was established/chartered in 1968 and meets on the 2nd and 4th Tuesday at Taylors Restaurant, Clubs of Maryborough @5.45pm.
- **Rotary Information (Robyn) – Rotary Toy Boys** – Proving that you don't have to be big to be successful, one of the smallest clubs in district 9510, the Rotary Club of Charles Stuart Grange. The club has a long running program where club members and volunteers, 16 in all, meet weekly to make high quality wooden toys. They achieve a massive total of 600 toys built and painted each year

Tonights Program – Corowa Rotary Club Health Check

- The aim of the health check is to help club leaders assess their clubs, to diagnose problem areas and prescribe remedies.
- The club health check was a survey questionnaire.
- Members were divided into small groups and given the task of answering questions relating to the internal and external functionality of the club and its membership

Just as routine doctor's visits help us identify health risks before they become serious, a club health check can diagnose problem areas and prescribe remedies. This resource is intended to help club leaders assess their clubs. In using it, you're taking a step to maintain your club's health and preserve its value for members and the community. Mark the boxes next to the statements you consider to be true, based on the past 12 months. Then discuss the results with your fellow club officers. If you left more than five of the boxes in any section blank, that area should be addressed. Act on the suggested remedies for any problem areas you've identified.

Rotary Grace:

Oh Lord, the giver
of all good,
We thank you for
our daily food.
May Rotary friends
and Rotary ways,
Help us to serve
you all our days.
Amen.

.....

For Good Food,
For Good
Fellowship
And the
opportunity for
service in Rotary,
We Give Thanks.
Amen.

.....

Today we are
thankful for all we've
received.
However we live, we
firmly believe
All is a blessing that
we must pass on
No matter our status
or where we have
gone. Kindness and
generosity are what
we impart
Showing the world
what's in Rotary's
heart.

Rotary 4 way Test:
