This week's meeting saw past Rotary Youth Exchange student Debra Everingham speak about her life after exchange and what she has been doing since returning home. Debra had spoken to the club upon returning from her exchange in Brazil, near Sao Paulo in 2019/2020 but is updating the club.

Debra spoke about what has been happening with her time since being home. She brought her partner Aden (cyclist/car washer/tech guru/legend) to meet the club and informed us how she has changed over the past 3 years.

Over the past 3 years Debra has moved out of home, gained a partner during Covid, started University and got her license. She is starting her new Uni degree in March, a Bachelor of Primary and Early Education. She is also looking to buy her first home and is starting a new job at Beacon Lighting.

Debra spoke fondly of her time in Brazil and she told the club she has many memories and friends from her year overseas, esp. Carnivale. She also talked about how her exchange changed her and she started to appreciate many more things upon her return home. (Much to her mother's delight)

Debra thanked the club for sponsoring her and said she would highly recommend Rotary Youth Exchange to everyone as she gained more maturity, confidence and it opened her eyes to how lucky we are in this country. So much so, she felt she came back a different person.

Debra also drew the raffle and won herself another bottle of the Presidents Muscat!! Thanks for speaking to us Debra, the Corowa Rotary Club appreciated hearing from you and how you had changed after your Exchange year in Brazil. You are welcome back anytime!!

Today at the bank, an old lady asked me to help check her balance.

So I pushed her over.
