Founded in November 1949 by a group of distinguished professionals, entrepreneurs and bank administration managers and the future president of R.I.

The goal behind the club was to relaunch the economy and the values of the town after it had almost completely been destroyed by Anglo American bombers in February to May 1943.

The La Marmora prize, instituted in 1977 is given to non-Sardinian's who have contributed with their studies, initiatives and work to the improvement and progress of Sardinia.

The life tree erected in 1984 in the San Michele cemetery by Rotarians and Lions Club in memory of the civil victims of the bombings of 1943.

## Thank you Rotary!

Without rotary I would not have been able to have this amazing opportunity and I' m so incredibly grateful for rotary and especially my host club for sending me out. Thank you to each and every one of you! It was the best year of my life.

Thank you.

Niamh Lavis our 2023 Rotary Exchange student gave us a very interesting presentation last night of her year abroad in Italy. Niamh sent me a 25 page report of wonderful photos and anecdotes and I have only selected a very small portion for the bulletin. Thank you Niamh for representing our Club in such a fabulous light. We hope you will cook something delicious for your family that your host family Nona taught you. (Pictured with Paul M)
