ISSUE 85 – EDITION 2

District 9790-President Bill Bott AM, District Governor Neta Kirby,
International President Gordon McNally

Create Hope in the World

"The goal is to restore hope — to help the world heal from destructive conflicts and, in turn, to help us achieve lasting change for ourselves," McNally said at Rotary's annual training event for incoming district governors.

McNally spoke about a woman he met in Ban Taling Chan, Thailand, where Rotary members helped build houses, a meeting hall, and childcare and health care facilities following the tsunami that devastated South Asia in late 2004. The woman had lost her husband, her daughter, and her son in the tsunami, as well as her livelihood. But she still had a gift to offer McNally: a beautiful seashell.

"She went on to tell me that Rotary... had restored her optimism. We gave her hope," McNally said.

"This is how Rotary brings lasting change to the world," he added, "one restored or newly created hope at a time."
