Rotary Club of Boroko (17829), President Stanley Arua.

The club meet on Thursdays at 6.30 pm, Aviat Club inc Konedobu Port Moresby, Papua New Guinea

RCB Family Day...2023 Bowling Challenge was a huge success. Everyone is a hero by joining together in assisting the fight against breast and prostate cancer in PNG. Thank you to all our members and friends of Rotarians who registered a team and those who supported this event. We couldn't have done it without your support.

Rotary information – supplied by Gary Poidevin

Ongoing issues with Federation Council Re Black Tie Ball and DA application, Gary, Meredith & Paul are still working closely to try and speed up process with council still not positive that the B&S will be able to go ahead.

Palliative Care Bed- supplied by Steve Kent

Jenny Doody has met with a palliative care team to see what can be done to organise spare beds in our community. Stay tuned to see what can happen with the potential partnership with Inner Wheel, Lions & Rotary.

Stephen Apps –

Stephen was presented by our very own AG 2021-2023 & District Membership Chair 2023-2024 Paul Miegel a Club Citation for his year as a president. Stephen was also awarded a walking stick from fellow Rotarian Neil Davies for making it out of the whisky factory with his wobbly boots on.

Guest Speaker – Matt Flaherty

Establishment of Dialysis Centre in Kohalpur and Dhulikhel

Project Summary: Establishing a dialysis centre in Kohalpur and Dhulikhel, Nepal can be a life-changing and sustainable project for the people in the region. Chronic kidney disease is a serious health concern in Nepal, and many people require regular dialysis treatments to manage the condition. However, access to quality dialysis services is limited, especially in rural areas like Kohalpur and also in Urban Areas like Dhulikhel. Rental 11 kidly patient untimely died because they are not able to get routine haemodialysis in Kohalpur.

Project Tentative Cost: \$200,000

Dialysis Machine Required: 15 (5 in Kohalpur and 10 in Dhulikhel)

RO water filter required: 2 units
