Rotary Club of Vancouver – British Columbia

Formally chartered on April 22nd 1913, with the help of the Seattle Club. They were the 2nd Club in Canada.

The Rotary Club has a significant impact on many events not the least of these the building of the Vancouver Trade and Convention Centre.

For over 40 years the club's hearing foundation has provided life changing care for adults and children with hearing disorders.

From funding Canada's first ever cochlear implant surgery in 1982 to completing over 770 surgeries and committing 6 million dollars to revolutionising patient care.

Helping to raise money the club annually runs a ride for hearing which raised over 3.8 million dollars since it began in 1985.

The club also supports initiatives that create water wells for villagers in Africa.

The club provides leadership and personal development opportunities to youth through rotary support programs. Rotary's youth programs are focused on kids, teenagers and young adults.

The club meets every Tuesday at 12 noon terminal city club.

Reports from around the room-

Everyone seemed quite happy with the shared meeting last week, what does stand out that we hold more formal meeting than the other two clubs.

Meals were well received

9th Nov at Lions Den there is to be a Community group meeting @ 6pm for a 6.30 start

Council have been back in touch re the B & S Ball looks promising that next year's event will go ahead without the DA Report completed but there will be a meeting to discuss some requirement that we will need to abide by.

B & S Ball for 2025 will not go ahead without the new paperwork being required.

Lions Club will be selling Doughnuts at the next market

BBQ pending Council for approval on 24th Nov for the new Visa holder's invitation only event

Sign needed for entry to meeting room suggested by Graham B

Council have sprayed and mowed at the wetlands and its looking good at the moment
