WORLD POLIO DAY

It is an opportunity to remember Rotary's commitment to protecting the children of the world by eradicating polio.

Sadly, there has been another child this month whose life has been blighted by polio making 8 this year. We hope that this child will be the last to suffer, but while there is still wild polio in the world every child must continue to be protected with vaccination.

This is an enormous job and a large expense.

On the 24th October we ask you do what you can to raise funds and awareness of the job of ending polio.

As a club you can do a fundraiser. There is still time. Perhaps it is as simple as wearing red or purple to your regular meeting this week and each member making a donation of \$10.

As an individual, there is still time to become an inaugural member of the Polio plus Society by committing to donate US\$100 a year (AUD\$160) until polio is eradicated.

Please let me know what your club is doing this year.

Yours in Rotary,

Melissa Hebbard
District 9790 Polio Chair.
