Istanbul Rotary Club was founded on February 8, 1956 as the first Rotary Club in Istanbul and with Oğuzhan R. Koraltan as its president. Rifat Bereket, İsmail Hakkı Kutbay, Kazım Taşkent, Eli Rosenthal, Hilmi Naili Barlo and John A. Caouki are the founding members of the club.

It is the largest Rotary Club in our country as well as one of Europe's three largest. Our club has 250 members. These members are valued and respected representatives of various areas of business in our country.

Among our Club's members are international businessmen, scientists and diplomats who are expats in Istanbul. Istanbul Rotary Club is the only Rotary Club in our country where the addresses in the weekly meetings are simultaneously interpreted from Turkish into English during the meeting.

What if there were no hypothetical questions?

If a deaf child signs swear words does his mother wash his hands with soap?

If someone with multiple personalities threatens to kill themselves, is it considered a hostage situation?

Is there another word for synonym?

Where do park rangers go to 'get away from it all'?

What do you do when you see an endangered animal eating an endangered plant?

Would a fly without wings be called a walk?

If a turtle doesn't have a shell, is it homeless or naked?

What was the best thing before sliced bread?

One nice thing about egoists is they don't talk about other people.

If one synchronised swimmer drowns, do the rest drown too?

If you try to fail and succeed, which have you done?

Whose cruel idea was it for the word 'lisp' to have an 's' in it?

Why is there an expiry date on sour cream?

Can an atheist get insurance against acts of god?
