Corowa Rotary's Belgium Exchange Student, Cindy Lashet

Last Sunday, I had the chance to go to Brussels 🇧🇪 with my colleague and the exchange student 🇺🇸 who was staying at her home.

For those who don't know, I left 1994-1995 (30 years ago already 🤔) with Rotary Plumbers-Welkenraedt 1 year in Australia 🇺🇸. This year abroad is kind of the starting point of the Escapale adventure.

You can't imagine the number of frustrations I had visiting a city with my Aussie families who came to visit us in Belgium 🇧🇪. I arrived in Brussels and then I wondered what to show them and especially what to tell them about the different places.

Last Sunday, I was able to catch up 😊. We walked around Brussels, I was able to explain some anecdotes to them, show them the must-have but also many hidden corners.

They tested me too 😊. They had me going around without following my directions. Awww all the streets were correct A true test of nature's greatness, a wonderful day that brought back many memories.

I was one of those Aussie visitors. Cindy, it was great to have you show me around. but it was greater to catch up with you again and to meet your family.

[Neil Davis](#) it's true. We went with you and [Wendy Davis](#) in Brussels in 2002 and what was amazing that you came back three months later for our wedding. Laurent and I are so happy that you came so often visiting us in Europe. Lots of love from 🇧🇪
