Celebrating 75 Years of Serving the Community

Weekly Bulletin District Governor Phil Clancy

This week's meeting saw the annual visit of the District Governor. DG Phil Clancy and his lovely wife Helen visited the club and spoke to our members about our progress and issues within the district. Helen also spoke about her DG Partners Charity. DG Phil spoke about how our club was on the right path and that he was pleased with the projects we are undertaking. During his speech he spoke about 5 Core Values (CV) that he feels encompass Rotary and its ideals.

CV1: Fellowship; the need to make Rotary friendly and inviting. This will attract/retain members and increase attendance.

CV2: Service; the need to conduct appropriate and good Community Service. Show and foster Rotary service projects like, Polio Plus, Bowel Scan, Stroke Awareness, Youth Exchange and Vocational Exchanges.

CV3: Diversity; Reflect on Diversity within Rotary and our club.

CV4: Leadership; Develop leadership skills in members and other members of the community through Rotary. eg. PETS, PEPS, RYLA etc.

CV5: Integrity; Accountability and the Reputation of the club and Rotary. Reliable, Respected and Strong Clubs. We were also visited by our ADG Steve McKewen.

On the lighter side... Men vs Women... 😊 **Hahahaha!!** 😊

Why do men die first?

This is a question that has gone unanswered for centuries, but, now we know. It requires a bit of explanation, first: If you put a woman on a pedestal and try to protect her from the rat race... you're a male chauvinist. If you stay home and do the housework... you're a pansy. If you work too hard... there's never any time for her. If you don't work enough... you're a good-for-nothing bum. If she has a boring repetitive job with low pay... this is exploitation. If you have a boring repetitive job with low pay... you should get off your lazy behind and find something better. If you get a promotion ahead of her... that is favouritism. If she gets a job ahead of you... its equal opportunity. If you mention how nice she looks... its sexual harassment. If you keep quiet... its male indifference. If you cry... you're a wimp. If you don't... you're an insensitive bastard. If you make a decision without consulting her... you're a chauvinist. If she makes a decision without consulting you, she's a liberated woman. If you ask her to do something she doesn't enjoy... that's domination. If SHE asks you... it's a favour. If you appreciate the female form and frilly underwear... you're a pervert. If you don't... you're gay. If you like a woman to shave her legs and keep in shape... you're sexist. If you don't... you're unromantic. If you try to keep yourself in shape... you're vain. If you don't... you're a slob. If you buy her flowers... you're after something. If you don't... you're not thoughtful. If you're proud of your achievements... you're full of yourself. If you don't... you're not ambitious. If she has a headache... she's tired. If you have a headache... you don't love her anymore. If you want it too often... you're oversexed. If you don't... there must be someone else...

Why do men die first? Because they want to!!

Dear Corowa Rotary Club members,

I would like to remind all members that the Club as a whole is hosting our lovely exchange student Louise, not just the host families. Therefore, it would be good if Louise could be invited to accompany any member of the Club if they or their family is doing anything of interest. For example, a picnic on the river; water skiing; a trip to Beechworth, Yarrawonga or Glenrowan; a picnic in the Warby ranges; a farm visit; a visit to Melbourne would all be great activities.

Louise had been looking forward to the Regional Tour which was being organised by the YE Committee. Unfortunately it fell through, so Louise has been very disappointed that she has not the opportunity to see regional centres – Canberra, Wagga, Ballarat, the Great Ocean Road etc.

Now that Louise is nearing holiday time, not only would her weekends be free but much of January could also be available.

Check with Louise – she is a very organised young lady and will have her diary to help her include your suggestion.

Her mobile number is 0458 957 888

Her email address is louise.wetterlundh@gmail.com

Many thanks

Margaret Brown
