## Fellowship Night - Corowa Golf Club

It appears the Fellowship night at the golf club was a good night, with 16 of our members in attendance and 1 make-up = 68%. I hope the menu for the night was up to Rotary standards.

An interesting note from the fine session was when everyone was asked to recite the four way test and then our sergeant challenging one member for not displaying the qualities expected for 3 of the 4. Apparently there is little humour for some when phones are "borrowed" and then returned with an inexplicable ongoing alarm set for 6am.....

### Four Way Test

Of the things we say and do

1. Is it the **TRUTH**
2. Is it **FAIR** to all concerned
3. Will it build **GOODWILL & BETTER FRIENDSHIPS**
4. Will it be **BENEFICIAL** to all concerned

### Rotary Grace

Lord the giver of all good we thank you for daily food. May Rotary Friends and Rotary ways help us to serve you al our days.

*Or*

For good food,  
Good fellow-ship,  
And the opportunity to  
serve in Rotary, we give  
thanks.

Gary was presented with a banner from the Rotary Club of Maroochydore. One of the many banners we have from the Sunshine Coast. It must be a popular place for members to visit.

Prospective member Maureen Kelly attended the dinner accompanied by Graham and Margaret Brown.

## The Movember Campaign – Rotaract Rules!

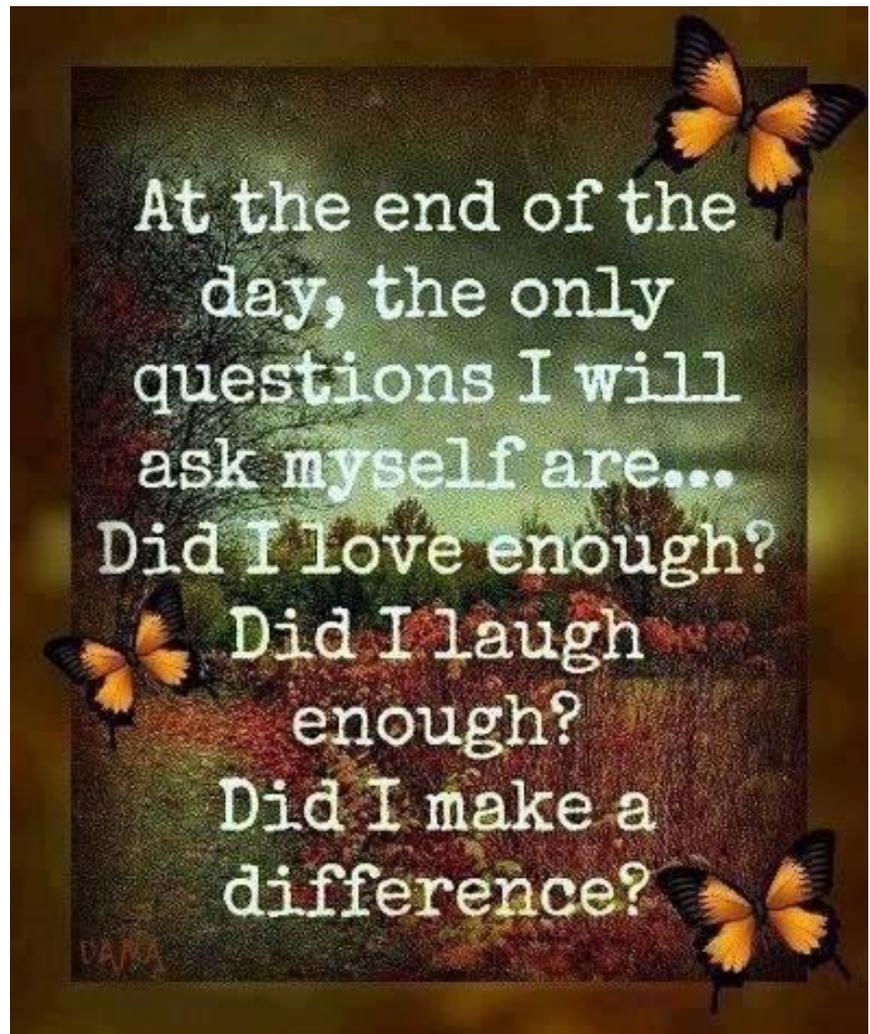

As this is Movember, Rotaract had their inaugural attempt at Movember last year. With a little over 50 growers in the team they were able to raise \$10,526. This fundraising brilliance put them into the top 160 teams for 2013.

A special thanks is extended to the members and honorary members who have donated to the team or to individual team members.

Our club has now managed to raise \$835 so now it could be time for the “Mo-wives” to pay up to get rid of these despicable growths.

## Rotary Exchange Student – Grace Baker

Hej.

Just a quick update from Sweden. Not that much has been happening since the summer. More exchange students have arrived and all us oldies have shown them all around Stockholm. We had a week break for autumn and my host family took me and a friend to a small village town up north to meet my host mum's family. I got to see a lot more of Sweden especially the farm land and country side. My host parents are both hunters, so we saw a lot of dead moose and deer hanging around. One of the days we were there, we went over to Norway for the day. We tried to fit everything into one day by visiting plenty of museums and churches.

Just last weekend my host Mum took me and another exchange student, Elle, to London for three days. We spent the first full day walking around London, seeing Hyde Park, Notting Hill, Buckingham Palace, Piccadilly Circus and Trafalgar Square.

On our second day we went to Madame Tussauds and saw all of the famous wax people, which was a bit weird. We also went on the London Eye and got to see the magnificent view of London. We then went over to the Houses of Parliament, St. Paul's and the Westminster Abby.

On our third day we went to the London Dungeons and learnt all about the history of London. We walked down Oxford street and did a little shopping.

Thanks everyone.

Grace

Three women, two younger and one senior citizen, were sitting naked in a sauna. Suddenly there was a beeping sound. One of the younger women pressed her forearm, and the beep stopped. The others looked at her questionly. "That was my pager," she said. "I have a microchip under the skin of my arm. A few moments later a phone rang. The second young woman lifted her palm to her ear. When she finished she explained, "That was my mobile phone. I have a microchip in my hand. The older woman felt very low tech. Not to be outdone, she decided she had to do something just as impressive. She stepped out of the sauna and went to the bathroom. She returned with a piece of toilet paper hanging from her rear end. The others raised their eyebrows and stared at her. The older woman finally said... "Well, will you look at that....I'm getting a FAX."

**Wine Packs**

We still have plenty of Our Wine Packs for sale.

They make great gifts with each pack containing a 375ml bottle of Muscat, Topaque and Tawny Port.

All wines are over 20 years old and at \$60 per pack provide great value for money as wine of similar age and quality would cost much more if purchased at some of the famed Rutherglen wineries.

Order forms are available on our web site, or speak to one of the board members who can arrange a pack(s) for you. Shipping can also be taken care of for an extra charge

**Sergeant-at-arms**

Please remember to notify the Sergeant at Arms, Paul Mowlam if you can't attend our weekly meetings.

Paul can be contacted by phone or text on **0499 878 529**, or email [pmowlam@hotmail.com](mailto:pmowlam@hotmail.com).

Also please be aware that if you fail to notify the Sergeant of your non attendance and the club is charged for your meal you will be expected to pay.
