## Federation Council Citizen of the Year – Lynn Fredericks

Lynn states his proudest moment was to be named Federation Council's Citizen of the Year and also receiving the Local Achievers award on Australia Day 2017.

Born in 1950 in Corowa to Roy and Enid Fredericks, Lynn has lived in Corowa his entire life. Having married Pam in 1970, he has 3 sons aged 46, 41 & 33 and he is the proud Grand Dad of 7.

Having left Corowa High School after year 10, Lynn took up a Coopering Apprenticeship with Lindemans Wines for Seven Years.

Lynn then worked at Corowa Timber & Moulding for 2 years and then at Darby Woodware, making the well known Darby Barrells, with former Corowa Rotarian Peter Darby for a further five years.

A six year stint helping to set up and then to manage Max Maclean's Hardware store preceded Lynn venturing into his own business Corowa Cleaning Service which he ran for 27 years.

Lynn has now given up work in retirement for 3 years and has started to work really hard.

Lynn has had many other pastimes – Karinya House Board, North Eastern Car Club, Rally Driving & Navigating, Camp Quality and the Lions Club of Corowa of which he has presided as President (3 times), Secretary (8 times), Membership Chairman, Cake Chairman, District Chairman for LCIF < ALF & VIF. District Governor 2.013-14 and he holds a number of International, State & District Awards. Lynn has also received the Melvin Jones Fellowship Progressive Award, of which he is extremely proud.

Now that Lynn is retired he is very involved in the Community Garden and more recently he has been busy working towards the establishment of a Corowa Mens Shed.

## Attendance

We had a percentage this week of 86.26%, having 18 of our 22 members present and we had 4 apologies.

We welcomed our guests for the night including Norm's guest Lorraine O'Flaherty, Honorary Rotarians Janet & Robert Dickens and prospective Rotarian Eric Sadlowski. It is always good to have visitors to our club.

We were also delighted to celebrate member's birthdays this week, John 27 Feb, Paul Miegel March 1 and Don March 2.

## Ride to Conference (Strathbogie Saunter)

You are invited to check out the Ride to Conference website and enjoy some 8 years of history of the Ride to Conference.

Ride to Conference in District 9790 was the inspiration of Corowa Past President Graham Brown, who had seen similar events in neighboring Rotary Districts and was sure a like event could take place in 9790. To date \$16500 has been raised for ARH.

If you would like to donate to Ride to Conference you can donate to Graham Directly or you can donate online –

Account Name: Australian Rotary Health

## Winners are Grinners

Stephen was the lucky winner of the President's Muscat this week and Ray took his chance to draw the Joker. Bad luck for Ray as it was only the King of Diamonds (and just what is wrong with that: diamonds are a girls best friend).

Graham, maybe it will be your turn next week, as I am sure Stephen is not going to share with you from this bottle.

## Youth Exchange News.

Gary and Christine, along with Bruce and Sandra Corcoran have been able to catch up with our outbound exchange student Sarah in France. Cassandra (Sarah's Mum) tells me that Sarah is settling in well. It appears that Gary has his itinerary worked out well not miss any chances to catch up with friends.

We have also had news from Charlotte Svensson, a former exchange student from Sweden. Charlotte has received her Degree of Master of Law, with 270 credits. Charlotte tells me that her aim is to work for the Swedish Government somewhere in the world "We will see where my Degree takes me".

Good Luck Charlotte!

## Badge of Honour for Hay Runner

Burrumbuttock Hay Runners founder Brendan Farrell has been awarded a Rotary badge of honor for his ongoing efforts to help the country's drought-stricken farmers.

Rotary Club of Sydney president Alex Shaw presented "Bumpa" with a sapphire pin to go with his Paul Harris Fellowship on Friday, February 24 at Ilfracombe in Queensland during the 12th hay run.

Mr. Shaw said in the past four years his club had managed more than \$2.5 million in donations to help the hay runners' cause.

## Smorgasbord of Progress

Unfortunately, the Smorgasbord of Progress that was to be held last Friday night had a bit of a hiccup, with the guest speaker, Professor Ed Blakely, unable to fly out of Sydney due to the inclement weather.

The meeting will be held later in the year when it can be arranged for the Professor to visit Corowa. Currently working at the University of Sydney he will attempt to stimulate discussion about how Corowa may move forward and thrive in a period where pokies have left tourism wondering, traditional manufacturing has declined in many places and services are provided very often from the larger regional centres.

OVER 15,000 MEN FOUND THEMSELVES  
TALKING TO THE ATLANTA HUMANE  
SOCIETY ABOUT AN 8-WEEK OLD BLACK  
LABRADOR RETRIEVER.

Two Irishmen were sitting in a pub having beer and watching the brothel across the street.

They saw a Baptist minister walk into the brothel, and one of them said, "Aye, 'tis a shame to see a man of the cloth goin' bad."

Then they saw a Rabbi enter the brothel, and the other Irishman said, "Aye, 'tis a shame to see that the Jews are falling' victim to temptation."

Then they saw a Catholic priest enter the brothel, and one of the Irishmen said,

"What a terrible pity... one of the girls must be quite ill."

*An Irish priest is driving down to New York and gets stopped for speeding.*

*The state trooper smells alcohol on the priest's breath and then sees an empty wine bottle on the floor of the car.*

*He says, "Sir, have you been drinking?"*

*"Just water," says the priest.*

*The trooper says, "Then why do I smell wine?"*

*The priest looks at the bottle and says, "Good Lord! He's done it again!"*

## Buddy Bench

Buddy Bench' program launches to tackle mental health in Mount Isa schools.

A Rotary Club in Mount Isa, northwest Queensland, has donated specialized benches aimed at tackling mental health to almost every school in the town.

Thirteen 'Buddy Benches' have found homes in school's playgrounds — something the Rotary Club of Mount Isa hope will tackle the suicide rate.

This could be a good program for all schools
